Dear Jeremy,

RE: NHS Dental Services

I met recently with the Chair of the Merton, Sutton and Wandsworth Local Dental Committee, Dr Dharmen Patel, as well as Dr Martin Skipper who is the Head of Policy for the LDC Confederation.

As part of the wider conversation we had regarding the pressures being faced by our local dental practices and the support they require moving forward, both Drs Patel and Skipper were keen to hear more about the inquiry your Committee had hoped to hold into NHS dental services.

As I know you will be well aware, the current pandemic has highlighted the many issues that persist in dental services, and I should be very grateful if your Committee could give consideration to reopening the inquiry.

I look forward to hearing from you so that I may report back to my LDC.

With best wishes,
