Dear Neighbour,

RE: Moped Crime Public Meeting

I hope this letter finds you well.

Thank you to everyone who attended the Moped Crime Public Meeting on Thursday- with over 100 people in attendance this was by far my most attended public meeting to date!

I would particularly like to thank those personally affected by moped crime who bravely shared their stories with the audience. After hearing from our Neighbourhood Watch representatives and our Safer Neighbourhood Teams, the main message I hope people took away from the meeting is **Report, Report, Report.**

Below I have included the contact details for your local Safer Neighbourhood Teams and the best way to report a crime. You can visit www.met.police.uk/a/your-area/ if you are unsure which area you belong to. Reporting crimes, no matter how small, is important to ensure our police can build a greater understanding of the issue and take further action.

I will continue to engage with our police to understand the steps they are taking to address this issue and will endeavour to update constituents regularly via email and on my website. Indeed, I have organised a police walkabout around Roundshaw in the next few weeks as this has sadly become a hotspot for moped crime in recent years.

If there is ever anything I can do to assist you on this, or any other matter, please do not hesitate to get in touch at elliott.colburn.mp@parliament.uk or 020 8773 2843.
